Business Profile

## OUR CEO SAYS

I am proud to present our business profile to you, our service users. We would like to share the strategic steps we will take in pursuing a partnership with all of you, as well as convey our vision and mission that we hold to achieve long-term success.

Our vision is to become a dynamic and innovative company that leads in telecommunications industry services, especially Site Acquisition (SITAC), construction (civil, mechanical and electrical) as well as project management and maintenance management to provide high satisfaction and sustainable added value for stakeholders. Our interests. We are committed to creating high quality solutions that meet customer needs.

Our mission involves a sustainable approach to developing and operating our business. We prioritize continuous innovation, superior quality and customer satisfaction as the cornerstones of our strategy. We also maintain strong partnerships with business partners and focus on social and environmental responsibility.

Through strategic steps and our commitment to this vision and mission, we aim to achieve sustainable growth and make a positive contribution to the communities in which we operate.

We thank you for the trust and support you have given our company. Together, we are confident that we can create a successful future and provide sustainable added value for all our stakeholders.

Saya bangga mempersembahkan profil bisnis kami ini kepada Anda para pengguna jasa layanan kami. Kami ingin berbagi tentang langkah-langkah strategis yang akan kami ambil dalam menjalani kemitraan dengan anda semua, serta menyampaikan visi dan misi kami yang kami pegang untuk mencapai kesuksesan jangka panjang.

Visi kami adalah menjadi perusahaan dinamis dan inovatif yang memimpin dalam jasa layanan industri telekomunikasi khususnya layanan Site Acquisition (SITAC), konstruksi (sipil, mekanikal dan elektrikal) serta manajemen proyek dan manajemen pemeliharaannya untuk memberikan kepuasan yang tinggi dan nilai tambah yang berkelanjutan bagi para pemangku kepentingan kami. Kami berkomitmen untuk menciptakan solusi berkualitas tinggi yang memenuhi kebutuhan pelanggan.

Misi kami melibatkan pendekatan berkelanjutan untuk mengembangkan dan mengoperasikan bisnis kami. Kami memprioritaskan inovasi berkelanjutan, kualitas unggul dan kepuasan pelanggan sebagai landasan strategi kami. Kami juga menjalin kemitraan yang kuat dengan mitra bisnis dan fokus pada tanggung jawab sosial dan lingkungan.

Melalui langkah-langkah strategis dan komitmen kami terhadap visi dan misi ini, kami bertujuan untuk mencapai Pertumbuhan yang berkelanjutan dan memberikan kontribusi positif kepada masyarakat di mana kami beroperasi.

Kami berterima kasih atas kepercayaan dan dukungan yang Anda berikan kepada perusahaan kami. Bersama-sama, kami yakin dapat menciptakan masa depan yang sukses dan memberikan nilai tambah yang berkelanjutan bagi semua pemangku kepentingan kami.

April  
**2024**

April  
**2025**

PT AKSES CONNECTING NUSARAYA (AKCON), was established in January 2024. Starting from high trust in partnering with telecommunications service providers, both national and multinational, in developing their networks in Indonesia so that they are ready to welcome rapid dynamics and technological innovation. AKCON is a company that specializes in telecommunications industry services, especially Site Acquisition (SITAC) services, CME (civil, mechanical and electrical), Project Management and Maintenance as well as services of Enterprise System. We have gathered professionals in their respective fields into one strong, solid and experienced AKCON Team who are ready to drive the company's business wheels.

In April 2025, AKCON expands its services into new areas including Drone-based Surveys, Rural Connectivity Initiatives, and integration with FiberHome & Indosat Business Solutions, supporting advanced digital infrastructure in remote and underserved regions.

AKCON has obtained certification for ISO 45001-2018

# OUR Business

## Telco Tower Services

- Site Acquisition (SITAC)

Supporting 4G and 5G infrastructure deployment through dynamic and innovative site acquisition services.

- CME (Civil, Mechanical, Electrical)

Comprehensive civil, mechanical, and electrical services tailored for telecommunication tower development.

- Project Management

End-to-end implementation management to ensure timely and efficient project delivery across all service areas.

## Digital & Connectivity Solutions

### Enterprise Systems & Digital Solutions

1. Connectivity & Network Infrastructure
